FOR ENGINEERING CONSULTING SERVICES
FOR VISTA DIEGO HYDROPNEUMATIC PUMP STATION
REPLACEMENT PROJECT**

The Otay Water District (District) will require services of a civil engineering consulting firm(s) to provide professional design services in support of the of the Vista Diego Hydropneumatic Pump Station Replacement Project. The services may include, but not be limited to, the following engineering tasks: preliminary design report preparation, construction contract documents preparation, investigation of existing conditions and facilities, professional surveying, hydraulic modeling and transient analyses, bidding assistance, and construction support.

In compliance with SB 854, all Consultants and Sub-Consultants shall be registered with the CA Department of Industrial Relations (DIR). Proposals from consultants not registered with the DIR will be considered unresponsive.

Interested candidates are required to e-mail a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to Jeff Marchioro, P.E., at jeff.marchioro@otaywater.gov. If a firm has submitted a SOQ to the District within the last two (2) calendar years, and the qualifications remain current and accurate, then only a LOI is required.

Deadline to submit LOI and SOQ will be at 4:00 PM, Wednesday, May 27, 2020. Request for Proposal (RFP) materials will be e-mailed to qualified firms on Thursday, May 28, 2020. All questions regarding the consulting services should be referred to Jeff Marchioro, P.E., at jeff.marchioro@otaywater.gov., Project Manager, at (619) 670-2725, prior to issuance of the RFP.

Dated this 7th day of May, 2020.

Rod Posada, P.E., PLS, CCM
Chief, Engineering
OTAY WATER DISTRICT
