

**ADVERTISEMENT FOR
AS-NEEDED COATING INSPECTION SERVICES
FY 2021-2023**

The Otay Water District (District) will require the services of two consulting firms (Consultants) to provide coating inspection services in support of the District's Reservoir Rehabilitation Program. Each firm shall provide a NACE Certified Coating Inspector Level III (Inspector). The inspector will be on site during all surface preparation and coating procedures. At the completion of the recoating process, the inspector will provide a final report. The contract period will be three Fiscal Years (FY 2021 - FY 2023) on an as-needed basis, for a not-to-exceed amount of \$175,000.

These services are in support of the District's Capital Improvement Program and, therefore, fall under the classification of Public Works. The services are subject to prevailing wages, as well as compliance monitoring and enforcement by the Department of Industrial Relations.

In compliance with SB 854, all Consultants and Sub-Consultants shall be registered with the CA Department of Industrial Relations (DIR). Proposals from consultants not registered with the DIR will be considered unresponsive.

Interested candidates are required to e-mail a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to Kevin Cameron, P.E., at kcameron@otaywater.gov. If a firm has submitted a SOQ to the District within the past three years and the qualifications remain current and accurate, then only a LOI is required.

Deadline to submit a LOI and SOQ will be at 4:00 PM, Friday, September 11, 2020. Request for Proposal (RFP) materials will be e-mailed to qualified firms on Monday, September 14, 2020. All questions regarding the consulting services should be referred to Kevin Cameron, P.E., Project Manager, at kcameron@otaywater.gov, prior to issuance of the RFP.

Dated this 27th day of August 2020.
