

ADVERTISEMENT TO BID

Electronic bids will be received by the Otay Water District (District) for the **MELROSE AVE & OLEANDER AVE 458/340 PRSs REPLACEMENT / 980 RESERVOIRS ALTITUDE VALVE VAULTS RENOVATION (CIPs P2605, P2627, & P2671)** through vendor Periscope S2G (formerly BidSync), until **4:00 P.M., local time, on Thursday, March 25, 2021**, and at that time bids will be publicly opened and read.

The general scope of work for P2605 and P2627 involves the replacement of two existing potable water pressure reducing stations, including construction of approximately 155 linear feet of 12-inch water line, connections and abandonments of existing water lines, pavement and surface restoration, and all other associated work and appurtenances in accordance with the Contract Documents. The general scope of work for P2671 involves the renovation of two potable water altitude valve vaults, including replacement of precast concrete vault tops, altitude valves, butterfly valves, steel water lines from 4-inch to 30-inch inside diameter, pavement and surface restoration, cathodic protection, and all other associated work and appurtenances in accordance with the Contract Documents. The engineer's estimate is \$1,120,000.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

- No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
- No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5.

The District is using Periscope S2G (formerly BidSync), an online bid solicitation website, for electronic distribution of Bid Documents. Bidders must register online with Periscope S2G at <https://www.periscopeholdings.com/s2g> to participate in this procurement. There is no cost associated with registering. All documents and information related to this procurement are on the Periscope S2G website under the bid name "**MELROSE/OLEANDER PRSs / 980 ALTITUDE VALVE VAULTS (P2605, P2627, & P2671)**", Bid Number FY22-3300-010. Once registered, bidders can view and download information regarding this procurement including the bid and Contract Documents as well as submit questions related to the bid and contract documents. The District will only respond to questions submitted on Periscope S2G. A plan holders list, to be updated at least weekly, can be downloaded from the Otay Water District's website, Engineering Bids page, at <https://otaywater.gov/engineering-bids/>.

Dated this 23rd day of February, 2021.
