FOR
AS-NEEDED CONSTRUCTION MANAGEMENT
AND INSPECTION SERVICES**

Otay Water District (District) has several Capital Improvement Program (CIP) projects in final design that will begin construction for a period of two Fiscal Years (FY 2022 - FY 2023). Due to the District's workload, the District will require the services of construction management and inspection consulting firm(s) on an as-needed basis to support the delivery of the District's projects. The projects include, but are not limited to, sanitary sewer pipelines, potable water pipelines, recycled water pipelines, pump station upgrades, interconnections, and reservoir coating projects.

This contract has a \$600,000 not-to-exceed budget for as-needed professional services. The duration is anticipated to be for Fiscal Years 2022 through 2023. The contractual end date will be June 30, 2023.

Consultants must be registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. If a consultant submits a proposal, but is not registered with the Department of Industrial Relations, their proposal will be considered unresponsive.

Interested candidates are required to send a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to **Michael Long, P.E., Engineering Manager, Otay Water District, 2554 Sweetwater Springs Boulevard, Spring Valley, California 91978-2004** or e-mail mlong@otaywater.gov. If a firm has submitted a SOQ to the District within the calendar year and the qualifications remain current and accurate, then only a LOI is required.

Deadline to submit LOI and SOQ will be 4:00 PM (Pacific Time), Thursday, March 18, 2021.

All questions should be referred to **Michael Long, P.E., Engineering Manager, at (619) 670-2243.**

Dated this 4th day of March, 2021.

Rod Posada, PE, PLS, CCM
Chief of Engineering
OTAY WATER DISTRICT
