

ADVERTISEMENT FOR AS-NEEDED GEOTECHNICAL ENGINEERING CONSULTING SERVICES FY 2022-2024

The Otay Water District (District) will require the services of a geotechnical engineering consulting firm(s) to provide professional services in support of the District's Capital Improvement Program (CIP) for a period of three Fiscal Years (FY 2022 - FY 2024) on an as-needed basis, for a not-to-exceed amount of \$175,000. The services may include, but not be limited to, the following: geotechnical investigation and reporting, engineering geology, construction material testing, hazardous material evaluation and testing, and other related work in accordance with the regulations and standards of the state and local agencies.

In compliance with SB 854, all Consultants and Sub-Consultants shall be registered with the CA Department of Industrial Relations (DIR). Proposals from consultants not registered with the DIR will be considered unresponsive.

Interested candidates are required to e-mail a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to Kevin Cameron at kcameron@otaywater.gov. If a firm has submitted a SOQ to the District within the last two (2) calendar years, and the qualifications remain current and accurate, then only a LOI is required.

Deadline to submit a LOI and SOQ will be at 4:00 PM, Thursday, May 27, 2021. Request for Proposal (RFP) materials will be e-mailed to qualified firms on Wednesday, May 28, 2021. All questions regarding the consulting services should be referred to the Project Manager, Kevin Cameron, PE, Senior Civil Engineer, at kcameron@otaywater.gov prior to issuance of the RFP.

Dated this 10th day of May, 2021.
