

ADVERTISEMENT FOR AS-NEEDED ELECTRICAL ENGINEERING CONSULTING SERVICES (FY 2022-2024)

The Otay Water District (District) will require the services of an electrical engineering consulting firm(s) to provide professional electrical design services in support of the District's Capital Improvement Program (CIP) for a period of three (3) Fiscal Years (FY 2022 - FY 2024) on an as-needed basis, for a not-to-exceed amount of \$175,000. The consultant shall prepare electrical design including bid documents (drawings and specifications), and/or repair recommendations as required by the District. The services may include, but not be limited to, the following: electrical service upgrades, electrical distribution improvements, instrumentation and controls as it relates to typical water/wastewater infrastructure; pump stations, pressure reducing stations, sewer lift stations, and other District facilities.

Interested candidates are required to e-mail a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to **Kevin Cameron, P.E., Project Manager, at kcameron@otaywater.gov**. If a firm has submitted a SOQ to the District within the last two (2) calendar years, and the qualifications remain current and accurate, then only a LOI is required.

Consultants must be registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. If a consultant submits a proposal, but is not registered with the Department of Industrial Relations, their proposal will be considered unresponsive.

Deadline to submit LOI and SOQ will be at 4:00 PM, Thursday, September 9, 2021. Request for Proposal (RFP) materials will be e-mailed to qualified firms on Friday, September 10, 2021. All questions regarding the consulting services should be referred to Kevin Cameron via e-mail prior to issuance of the RFP.

Dated this 26th day of August 2021.
