FOR
AS-NEEDED DESIGN ENGINEERING
CONSULTING SERVICES**

The Otay Water District (District) will require the services of a civil engineering consulting firm(s) to provide professional design services in support of the District's Capital Improvement Program (CIP) for a period of three Fiscal Years (FY 2022 - FY 2024) on an as-needed basis, for a not-to-exceed amount of \$800,000. The services may include, but not be limited to, the following engineering disciplines: planning and design of potable water, recycled water, and sanitary sewer pipelines, pump stations, sewer lift stations, pressure reducing stations, reservoirs, water reclamation facilities, and/or utility relocations.

Interested candidates are required to e-mail a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to Kevin Cameron at kcameron@otaywater.gov. If a firm has submitted a SOQ to the District within the last two (2) calendar years, and the qualifications remain current and accurate, then only a LOI is required.

Deadline to submit LOI and SOQ will be at 4:00 PM, Thursday, September 2, 2021. Request for Proposal (RFP) materials will be e-mailed to qualified firms on Friday, September 3, 2021. All questions regarding the consulting services should be referred to Kevin Cameron, P.E., Project Manager, at kcameron@otaywater.gov.

Dated this 19th day of August 2021.
