

ADVERTISEMENT TO BID

Electronic bids will be received by the Otay Water District (District) for the **458-1 RESERVOIR INTERIOR/EXTERIOR COATING & UPGRADES (CIP P2593)** through an online bid solicitation website, Periscope S2G (formerly BidSync), until **4:00 PM local time, on Thursday, September 30, 2021**, and at that time bids will be publicly opened and read aloud **via an online Zoom video conference** (see Bid Document Specifications, Section 00030, Invitation to Bid, for Zoom link). In-person attendance of the bid opening will not be permitted due to the COVID-19 pandemic and to comply with State mandated social distancing requirements.

The general scope of work includes the removal and replacement of the interior and exterior coatings on the 458-1 potable water welded steel tank. The 458-1 tank is located in Chula Vista, CA with a capacity of 0.8 MG. The work also includes structural modifications, including, but not limited to, interior roof rafter replacement, liquid level indicator replacement, cathodic anode replacement, new tank penetrations, new fall protection devices, and roof vent replacement, in accordance with the contract documents. **The engineer's estimate is \$795,500.00.**

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

A Pre-Bid Meeting will be held at 9:00 A.M. local time on Monday, September 20, 2021, via Zoom video online conference (see Bid Document Specifications, Section 00030, Invitation to Bid, for Zoom link). In-person attendance of the pre-bid meeting or bid opening will not be permitted due to the COVID-19 pandemic and in order to comply with State mandated social distancing requirements.

The District is using Periscope S2G (formerly BidSync), an online bid solicitation website, for electronic distribution of Bid Documents. Bidders must register online with Periscope S2G at <https://www.periscopeholdings.com/s2g> to participate in this procurement. There is no cost associated with registering. All documents and information related to this procurement are on the Periscope S2G website under the bid name, "**458-1 RESERVOIR INTERIOR/EXTERIOR COATING & UPGRADES (CIP P2593)**." Once registered, bidders can view and download information regarding this procurement including the bid and contract documents, as well as submit questions related to the bid and contract documents. The District will only respond to questions submitted on Periscope S2G. A Vendor Viewed List, updated at least weekly, can be downloaded from the Otay Water District's website, Engineering Bids page at <https://otaywater.gov/about-otay/bid-opportunities/engineering-bids/>, under the "Outstanding Bids" tab.

Dated this 9th day of September 2021.
