FOR ENGINEERING CONSULTING SERVICES
FOR 870-1 RESERVOIR FLOATING COVER/LINER REPLACEMENT PROJECT**

The Otay Water District (District) will require services of a civil engineering consulting firm(s) to provide professional engineering services in support of the 870-1 Reservoir Floating Cover/Liner Replacement Project (CIP P2563). The services may include, but not be limited to, the following engineering tasks: potable water reservoir floating cover tensioning system alternatives analysis and peer review of mechanically tensioned floating cover designed by others.

In compliance with SB 854, all Consultants and Sub-Consultants shall be registered with the CA Department of Industrial Relations (DIR). Proposals from consultants not registered with the DIR will be considered unresponsive.

Interested candidates are required to e-mail a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to Jeff Marchioro, P.E., at jeff.marchioro@otaywater.gov. If a firm has submitted a SOQ to the District within the last two (2) calendar years, and the qualifications remain current and accurate, then only a LOI is required.

Deadline to submit LOI and SOQ will be at 4:00 PM, Friday, April 29, 2022. Request for Proposal (RFP) materials will be e-mailed to qualified firms on Monday, May 2, 2022. All questions regarding the consulting services should be referred to Jeff Marchioro, P.E., at jeff.marchioro@otaywater.gov, Project Manager, at (619) 670-2725, prior to issuance of the RFP.

Dated this 18th day of April, 2022.

Rod Posada, P.E., PLS, CCM
Chief, Engineering
OTAY WATER DISTRICT
